GAMING STANDARDS**MICROGAMING SOFTWARE SYSTEMS LTD. JOINS GSA EUROPE AS PLATINUM MEMBER**

SAN GWANN, Malta (20 March 2017) – Just weeks after the new organization was formally created, GSA Europe has welcomed online gaming supplier Microgaming Software Systems Limited as a Platinum member.

Based in the Isle of Man, Microgaming is one of the world's leading software suppliers to the online gaming industry. The company's products include Casino, Multi-player Games, Mobile, Poker, Bingo, Land-based, Sportsbook, Live Dealer, Business Solutions and Quickfire. Releasing new titles every month, Microgaming has the largest, most diverse digital portfolio in the industry with more than 2,000 online casino games and variants, including a mix of licensed and proprietary content.

Roger Raatgever, CEO of Microgaming, comments: "The benefits of joining GSA Europe are considerable. As a Platinum member, Microgaming has reinforced its position as the industry leader in developing, implementing and promoting new technical gaming standards. We are excited to continue our work in this field with other GSA members."

GSA President Peter DeRaedt adds: "We are pleased Microgaming has become a Platinum member of GSA. As a proven leader in the online world with widespread influence and valuable insights into the industry on the continent, we look forward their participation and their commitment to our work."

With a Europe-centric focus, GSA Europe offers its members a number of significant benefits including:

- European legal jurisdiction
- Membership levels and dues identical to those of GSA (US)
- Participation on the GSA Board for eligible membership levels
- Participation in all committees for eligible membership levels
- European members will have input into GSA strategy and direction

**About Microgaming (microgaming.co.uk)**

Microgaming developed the first true online casino in 1994. It has been breaking records, breaking new ground and breaking its back in pursuit of original gaming ever since. Developer of thousands of unique, genre-defining casino, mobile, poker, bingo, land-based and multiplayer games, and a pioneer in virtual and wearable gaming, the software giant hosts the world's largest progressive jackpot network. Its products include Live Dealer, Sportsbook, Business Solutions and Quickfire. Microgaming is an award winner. A millionaire maker. The father of player protection and responsible gaming. And through Microgaming PlayItForward, it is a pillar of its local community on the Isle of Man.
